This is my third time working with Patricio, and his engagement with the course continues to be outstanding. He is consistently prompt in responding to emails and provides thoughtful, high-quality feedback on exam questions. I truly appreciate his professionalism and collaboration—he makes my job easier.

Patricio applies rigorous grading standards. At the same time, he handles student regrade requests with clarity and fairness, offering critical and well-reasoned responses. I sincerely hope to have the opportunity to work with him again when I teach Econ 120A in the future.
