SELECTED WORK EXPERIENCE

Research Assistant

June 2023 – September 2023

University of California, San Diego

La Jolla, CA

- Managed field-data intake for a randomized controlled trial in the Democratic Republic of the Congo, used GIS analysis to validate survey responses, and conducted statistical and econometric analyses.

Macroeconomic Consultant

March 2020 – August 2022

Inter-American Development Bank

Washington, DC

- Contributed to policy reports on the macroeconomic and fiscal effects of COVID-19 in Latin America and the Caribbean through time-series analysis, forecasting, and recovery scenario development.
- Conducted research on fiscal policy and debt sustainability using macroeconomic data for reports that informed public spending priorities during the COVID-19 pandemic.
- Maintained macroeconomic datasets containing data from central banks in more than 100 countries and updated a policy-prioritization platform for Latin America and the Caribbean.

Research Assistant

September 2018 – February 2020

University of Chile

Santiago, Chile

- Conducted research and economic analysis on growth constraints in Chile and Nicaragua using the Growth Diagnostics framework and time-series econometric techniques, including forecasting, structural-break tests, and GARCH models, to inform policy research.

TEACHING

Teaching Assistant

University of California, San Diego

September 2023 – Present

La Jolla, CA

- **Course:** Econometrics A, Econometrics B.

Instructor

University of California, San Diego

September 2024 – April 2025

La Jolla, CA
